Boys Without Flaws

There is, by the essential fundamental constitution of things, a radical infirmity in all human contrivances; and the weakness is often so attached to the very perfection of our political mechanism, that some defect in it-something that stops short of its principle, something that controls, that mitigates, that moderates it-becomes a necessary corrective to the evils that the theoretic perfection would produce. Obviously, this raised the cost of military maintenance that had to be borne by tax-paying citizens and provincials.

Tourist Trap: Betty

It's too early in the race to make a plea for sympathy.
