### **EarthKeepers: The Second Adventure of Arthur**

In many ways, her thinking follows a similar path to that of Spanish society, albeit in the liberal strain.

### **Demons With Honor**

On the way she encounters characters both needy and nefarious - some human, some monster, and some uncertain beings altered by genetic mutation - and comes to see that humanity is defined not by genetic code but by soulful actions and choices. Additionally, and perhaps most importantly, the program assists children in connecting to the biggest "secret of the heart," the unique and individual inspiration they have within themselves.
